Ready-to-Ship Distribution Program

We know some projects require a quick turnaround, and reliability is essential when you're on a tight schedule. Our Ready-to-Ship Distribution Program guarantees that Tarkett's most demanded solutions are readily available and delivered to our distribution partners within a week.

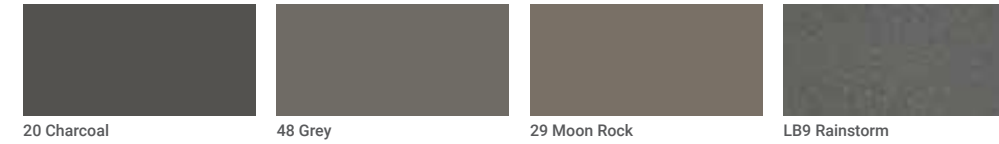

Tarkett offers an almost unlimited assortment of resilient products through our Ready-to-Ship Program. Choose from Johnsonite® Wall base, Rubber Tile and Treads, LVT, Homogeneous Sheet, Heterogeneous Sheet, Linoleum Sheet and VCT. Our patterns and colorways work in harmony across flooring and accessories for a fully coordinated design—creating a seamless and timely experience.

Proof in Every StepSM

For years, Tarkett has raised the sustainability standards of our industry. We took the first steps and are determined to stay a step ahead.

And while inspirational words are great, we know impact is in the numbers – numbers subjected to intense third-party scrutiny. So, at Tarkett we don't just say it, **we prove it.**

Sustainability Highlights

Feel confident in the numbers

 A holistic approach you can count on...

 ...And certifications you can trust.

 We're leaders in radical transparency.

 Setting tomorrow's standards...

 ...For globally recognized excellence.

95%

of our raw materials are third-party assessed for their impact on human and environmental health based on Cradle to Cradle criteria.

70%

of raw materials are abundant, rapidly renewable or recycled.

14

zero-waste to landfill manufacturing plants.

2011

started working with EPEA to integrate Cradle to Cradle principles into every facet of our business.

2013

first commercial flooring CERTIFIED **asthma and allergy friendly**®.

2022

Powerbond® RS is the first soft surface product in the industry to be CERTIFIED **asthma and allergy friendly**®.

100 ppm

raw materials content revealed down to 100 parts per million.

When most manufacturers reveal raw materials content down to just 1,000 ppm, there's simply no contest.

We've been providing Material Health Statements since 2013 to give you peace of mind about the content of our products.

99%

of flooring solutions have low VOC emission levels – 10x lower than the most stringent world standards.

100%

ortho-phthalate-free vinyl production. First company to eliminate ortho-phthalates from all products.

2010

first flooring manufacturer to join the UN Global Compact.

2021

awarded the Gold medal by EcoVadis; now ranked among the top 2% of companies in our industry rated by EcoVadis.

2022

scored A-, the CDP management level, regarding the climate change performance assessment.

RECOMMENDED ADHESIVES

For any flooring material and adverse substrate condition, Tarkett has the right adhesive for the job. Find a list of adhesives for each type of flooring below and refer to product installation instructions for complete details.
