- Thickness: 1/8" (3.175mm)
- Packaged in 4' lengths or coils
- Outside corners available

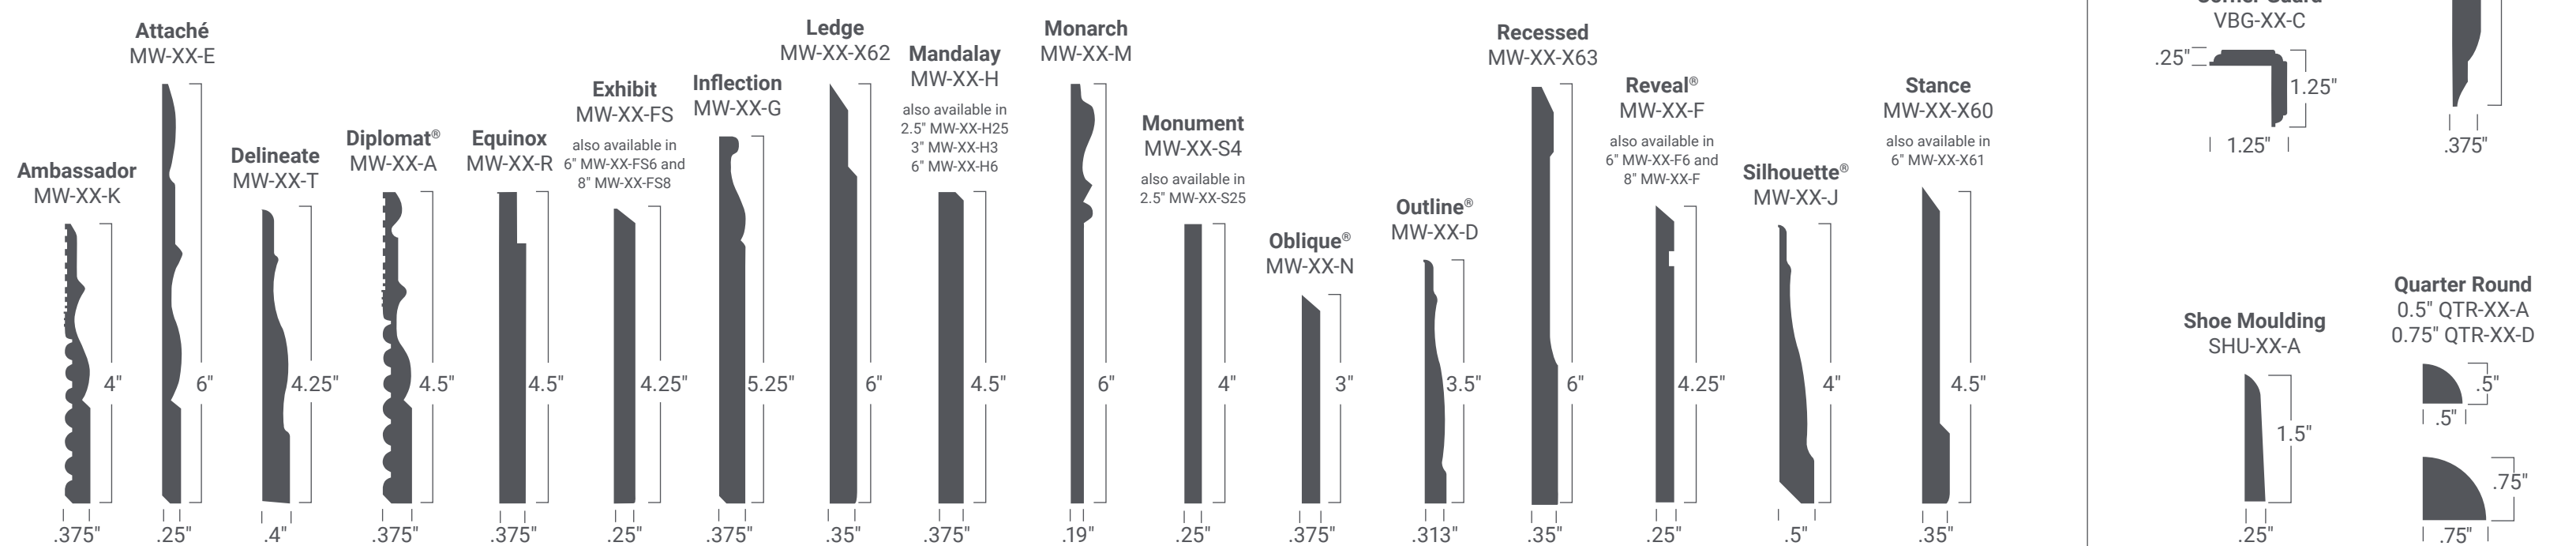

5 Masquerade® wall base and accessories

- Digitally printed wood, stone, and abstract patterns
- Thermoplastic rubber (type TP)
- Available in 7 unique wall base profiles (11 sizes), 2 Quarter Rounds, 1 Shoe Moulding
- Available in 18 standard colors (visit tarkett.com for color offerings)
- Custom color or design options available for 1,200 linear feet minimums
- Eliminates priming, painting, and finishing of true architectural wall base
- Installs for less than real wood, stone, or abstract materials
- Durable, does not crack, chip, or peel

7 Millwork Wall Base® system

- No dye lots
- Available in all solid colors including ColorMatch and metallics
- Thermoplastic rubber (type TP)
- Available in 17 unique wall base profiles (26 sizes), 2 Quarter Rounds, 1 Shoe Moulding, 1 Corner Guard, 1 Chair Rail
- Available in 8' lengths
- Provides high end visual with low maintenance product
- Durable scratch resistant, impervious to water, installs for less than painted wood

How to Order: Product codes are marked above each profile for order reference | XX = color selection

MADE RIGHT MEANS JOHNSONITE WALL BASE

Traditional vinyl wall base

This straightforward, budget-friendly solution provides everything you need and nothing you don't. Perfect for any commercial application, our Traditional Wall Base is offered in three standard heights and more than 100 color options, combining great design and reliable performance.

Traditional Dura-Cove rubber wall base

Traditional Dura-Cove Rubber wall base delivers beauty, quality, durability, and solid performance. Perfect for any commercial application, Traditional Dura-Cove Rubber wall base is offered in four standard heights. Available in all solid colors, including ColorMatch and metallics.

Baseworks Thermoset rubber wall base

A natural fusion of aesthetics, performance and sustainability, non-PVC Baseworks rubber wall base delivers pure, uniform color and an attractive matte finish.

TightLock wall base

TightLock is available in two profiles to deliver a snug fit over carpet or resilient flooring. TightLock Carpet can be installed before flooring and remain in place during future carpet changes.

Masquerade wall base

As the first wall base manufacturer in the flooring industry to use digital printing, Johnsonite's Masquerade collection allows for an unlimited selection of woods, stones, and abstract designs.

Perceptions wall base

Achieving the look of Millwork with a cost similar to our standard wall base, Perceptions is available in solid and metallic colors in four visuals designed to coordinate with our Millwork Wall Finishing System.

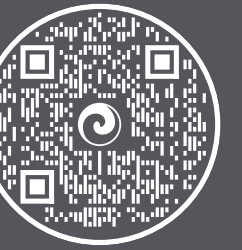

Millwork wall base

Millwork Wall Base system adds rich architectural detail and a timeless design element to any space. With more than 17 unique visuals, Millwork carries the look of finely milled wood and installs in half the time of natural wood trim. Because it will never require touch-up or repainting, Johnsonite Millwork continues to deliver return on investment throughout its lifetime.

COLORMATCH

Johnsonite's ColorMatch palette is coordinated across product categories so you can confidently mix and match Johnsonite rubber tile, wall base and accessories with a perfect match every time—for years to come.
