

Distribution Product Guide

2026

At Tarkett®, our goal is to help you create great spaces with flooring that meets your unique needs for design, performance, and material health. With one of the largest portfolios in the industry and roots that go back to the 1880s, we have inspired and supported great design for generations. You'll find our flooring delighting and performing admirably in hospitals, laboratories, schools, housing, hotels, offices, shops, and sports fields worldwide.

When we say our products are consciously made, we mean we set new standards for sustainability. Because we're not just designing flooring, but healthy impacts for every living thing.

Internal design team

At the heart of design, our work has always been about supporting people, inspiring creativity, and connecting us all to our environments and to each other. Our design team is obsessively driven to continuously innovate with colors, patterns, and techniques that meet your ever-changing needs in the spaces where we live, learn, work, and heal.

Workplace

Properly designed workspaces foster a strong sense of community, strengthen work relationships, enhance productivity, and provide space for employees to develop and collaborate together. At Tarkett, our core principle focuses on putting people first by helping designers and businesses create healthy and sustainable environments that empower people to do their best work—at work.

Life Science Environments

To keep up with changing expectations both in the marketplace and among top talent, life science organizations are reinventing the ways they approach building design. Labs of the future will need interiors that can accommodate and protect highly specialized and expensive equipment, integrated technology, interdisciplinary collaboration, and the well-being of all who work, research, learn, and visit there. These outcome-driven spaces will mirror the evolving ways we work together, fostering new connections between people that ultimately propel innovation.

Education

Student health, personal well-being, and sustainability are paramount to designing all education spaces into dynamic places where ideas flourish and staff and learners thrive. There's also been a shift towards a multisensory approach to education, which requires new considerations for flooring around acoustics, indoor air quality, effective wayfinding, and creating true spaces of connection.

iQ Optima 828 Clay, 205 Soft Warm White
iQ Granit 369 Light Aqua

Healthcare

Especially in healthcare spaces, flooring plays a critical role in creating safe, healthy environments. With Evidence-Based Design (EBD) as our guide, we're committed to developing flooring solutions that improve patient experiences, support caregivers, and contribute to the success of healthcare organizations.

Senior Living

By listening to and learning from those who live, work, and visit Life Plan Communities, Tarkett has developed a broad range of flooring solutions that support engagement, belonging, and overall health and wellness. Together, we're creating optimal living environments for the next generation of seniors.

Retail

With the growth of e-commerce, brick-and-mortar stores are capitalizing on their key advantages over digital platforms, namely that a physical store offers customers a sensory, holistic experience—one with its unique conveniences and abilities to surprise with unexpected delight.

Multifamily

As the boundaries between our professional and personal lives continue to blur, wellness has become a central priority. This shift is reshaping urban real estate, prompting developers to design inclusive, environmentally conscious communities that support healthier living. By combining the convenience of living and working locally with a stronger sense of connection, innovative multifamily developments are seeing unprecedented demand.

Tarkett Technologies

INNOVATION

IMAGINATIONS[®]

Techtonic[®] and Techtonic XD

iQ[®] Technology

RollSmart[™]

IMAGINATIONS® custom floor design

For interiors that require a completely signature touch, Tarkett's IMAGINATIONS program delivers. Create a variety of intricate designs suitable for any market segment, from company logos and school mascots to playful shapes and helpful wayfinding.

CUSTOM

Program benefits

Custom images can be created using virtually any flooring category—including Powerbond, LVT, rubber, sheet vinyl, and linoleum—so they're able to meet both your aesthetic and functional needs for the space.

Tarkett uses the world's most sophisticated ultrasonic cutting technology, paired with state-of-the-art CAD software; so, virtually no design is too intricate, no cut too precise.

Techtonic® protection

Tarkett's Techntonic and Techtonic XD are a massive shift forward in performance for hard surface floors. Our advanced polyurethane technology with beautiful matte finish expertly resists scuffs, scratches, abrasions, and stains on vinyl sheet and tile surfaces.

Branched Oak PCBR Meadow Grove 4608

Techtonic for LVT

- Techtonic is available on Contour®, iD Latitude™, and Even Plane luxury vinyl tile constructions
- Resists scratches 40% better than the industry market leader and doesn't exhibit scratch whitening
- Provides best-in-class scuff resistance and 18% more protection against abrasions

Techtonic XD for vinyl sheet

- Techtonic XD is available on all Acczent heterogeneous vinyl sheet collections
- Performs better than a leading competitor against 65% of the most challenging chemical and medical staining agents, based on third-party testing to ASTM F925
- Top-of-class protection without requiring a traditional floor finish

iQ® technology

Tarkett's iQ® homogeneous flooring promises no need for floor finish. Ever. A simple dry buffing restores iQ surfaces to their original appearance, practically keeping them forever young. With Tarkett's iQ technology, maintenance teams are able to work smarter and leaner, with fewer chemicals and better air quality--making iQ an all-around smart choice.

iQ Optima 841 Green Grey, 843 Light Green, 995 Blend Green, 996, Blend Sand

Never refinished. Always restored.

- No floor finish for life
- No protective chemicals, wax, or polish required
- Fewer surface contaminants allow for more effective infection control
- Requires less water and chemical usage, and reduces discharge into waste water system
- Our iQ Granit™, iQ Eminent™, and iQ Optima® products are Certified **Asthma & Allergy Friendly®**

RollSmart

RollSmart flooring adhesive offers an environmentally friendly, non-toxic, and non-flammable solution designed for fast installations. Applied easily with a 3/8" nap paint roller, it dries quickly and allows immediate occupancy—an important advantage in healthcare, education, retail, and other high-traffic environments. RollSmart also eliminates trowel-mark telegraphing and is approved for use under hospital beds, ensuring a smooth, durable finish in even the most demanding spaces.

iQ Granit Warm Light Grey 234
iQ Eminent Sand 883
iQ Eminent Unisense Dusty Sand 928

Speed to occupancy

- RollSmart is recommended under all of Tarkett's 2mm vinyl sheet flooring
- Fast-drying formulation
- Approved for immediate heat welding
- Designed for use under hospital beds
- Increased moisture limits
- No traffic restrictions after installation—foot traffic and rolling loads
- Increased coverage per gallon
- Solvent-free adhesive
- Supports recycling of flooring
- Speed to occupancy significantly decreases the downtime of those critical spaces such as operating rooms
- Maintenance can be performed immediately after installation when sheet material is heat welded
- Allows for immediate occupancy
- Moisture ASTM F2170: up to 95% RH
- Purchase options: 1-gallon or 4-gallon pail

RollSmart is formulated to be used with Accent heterogeneous sheet; Aria®, Melodia®, iQ Optima, iQ Granit, iQ Eminent, iQ Optima Acoustic, iQ Eminent Acoustic, Granit Safe.T homogeneous vinyl sheet; Contour, Event*, iD Latitude LVTs, and MetalEdge.

The Tarkett Advantage

Services

Tailored by Tarkett™

Tarkett Solution SPECTrum™

Expedited Service Programs

Designer on Demand

Source One®

Johnsonite Minerality custom colors

Tailored by Tarkett

Imagined by you. Tailored by Tarkett. Whether you're specifying carpet for a new building or replacing existing flooring at your facility, our Tailored by Tarkett flooring options make it easier than ever to transform your space. Find design inspiration, search product ideas, explore personalized flooring concepts, and even co-create with one of our expert designers—all with our upgraded tools and services.

Tarkett Solution SPECTrum™

A comprehensive flooring portfolio centered around human performance

Choose from an incredible range of flooring solutions that contribute to people's well-being while meeting the specific needs of each space. Expertly balance your project's competing demands, from acoustics to indoor air quality to maintenance. Easily coordinate colors, patterns, and textures for a seamless design.

Supporting well-being

Our full palette of colors, patterns, and textures is coordinated to work together visually across product categories—creating the perfect balance for people, planet, and performance.

Expedited Service Program

Time is critical on every project, and reliability makes all the difference. That's why our Ready-to-Ship Distribution Program ensures our most popular resilient flooring solutions and accessories ship to our distribution partners in a week or less. From LVT and sheet vinyl to rubber tile and wall base, you'll find quality products and dependable service you can trust—exactly when you need them.

Ready-to-Ship: Resilient solutions shipped to distributors within a week: iD Latitude LVT, rubber tile, vinyl sheet, linoleum, VCT, wall base, and finishing accessories

- See [brochure](#) for order requirements in each product category: <https://commercial.tarkett.com/services/ready-to-ship>

Designer on Demand

The Designer on Demand program offers free visualization support to our A&D customers to help bring their design presentations to life. One of Tarkett's internal designers will become an extension of your team—bringing their expertise to the floor.

Four hands always work faster than two.

- 2D renderings
- 3D model renderings
- Floor plan renderings
- Full pattern repeats
- Material palette creation

Designers can send us an image, floor plan, or 3D file of their space—or select a virtual view from the Tarkett website. Once the project is received, the DoD team will start creating your custom visual. It's a perfect co-creative relationship.

Sustainability

Every step matters

Transparency you can trust

Circular economy

Healthy impacts

Every step matters

Tarkett's holistic approach to sustainability is woven into the fabric of how we do business and sits at the heart of our day-to-day decision making. For decades, we've been scrutinizing every detail of our business for its impact on life-sustaining resources like air, soil, and water—because when you're trailblazing a more sustainable future, every step matters. That's why, at Tarkett, you'll find sustainable solutions throughout our portfolio with Proof in Every Step™ of our design and manufacturing process. Our work is guided by three core pillars: Transparency you can trust, circular economy, and healthy impacts. We look forward to an open, honest dialogue and partnership that moves us all forward together.

Transparency you can trust

Even the greatest sustainability achievements are meaningless without the data to back them up. At Tarkett, we subject ourselves to intense scrutiny and third-party verifications to track where we are, identify steps toward our next milestones, and help you confidently select flooring products that meet your environmental, social, and governance (ESG) objectives.

Since 2011, we've worked to embed Cradle to Cradle principles into the core of our business operations. Our commitment to these principles isn't just a part of what we do; it's the foundation of our holistic strategy. At the heart of this strategy are five key impact areas: social health and equity, human health, ecosystem health, climate health, and circular economy.

Third-party verification

Carbon Disclosure Project

For the first time in Tarkett's history, we have been rated A level by Carbon Disclosure Project (CDP), a global non-profit that runs the world's leading carbon disclosure platform and is considered the gold standard in the assessment of corporate climate strategy. Joining the A list means we have reached the highest level a company can achieve at CDP. We are now part of the top 2% best performing companies out of 24,800 companies that disclose their climate data through CDP.

EcoVadis

Tarkett is proud to have been awarded a Platinum sustainability rating by EcoVadis with a score of 86/100, which places us in the top 1% of rated companies. EcoVadis assesses CSR policies, actions, and results across four themes and 21 CSR criteria: environment, labor and human rights, ethics, and sustainable procurement.

Science Based Targets initiative (SBTi)

In 2021, Tarkett committed to a 30% reduction in our value chain emissions (Scopes 1, 2 and 3) by 2030, compared to 2019. Following a 10-month review, this climate objective was approved by the Science-Based Target Initiative (SBTi) in December 2022. SBTi deemed our target ambition in line with a 1.5°C trajectory, currently the most ambitious designation available through the SBTi process.

UN Global Compact

Tarkett joined the United Nations Global Compact in 2010 and has achieved the highest possible "Advanced level" of maturity for more than a decade. In 2022, we were proud to join 1,000 other companies in the UN's early adopter program. Through its commitments, Tarkett makes a tangible contribution to eight different United Nation Sustainable Development Goals.

Today, 94% of our raw materials (over 3,000 items) are third-party assessed according to Cradle to Cradle principles.

The results of these assessments enable us to better understand the impact of our products and to select our raw materials more carefully.

Circular economy

In partnership with you, we're committed to creating a circular economy where nothing goes to waste. Through Tarkett's ReStart take-back and recycling program, we're doing everything we can to ensure your old flooring is kept out of a landfill and given new life.

On the path to circularity, every step matters.

It's estimated that construction and demolition account for one-third of the world's overall waste. For 140 years, Tarkett has been leading, innovating, and building partnerships with organizations that share our commitment to creating a circular economy where nothing goes to waste. Thanks to collaborations with our customers and like-minded visionaries, we're finding creative solutions to the global challenges we all face.

Start with ReStart®

Our number-one goal with the ReStart take-back and recycling program is to avoid sending any material to a landfill. When Tarkett products are being installed in your project, we'll take back any type of old flooring that we produce, regardless of who manufactured it. If there's anything we can't make safe use of, we know that someone else can. That's why we partner with other industries to make sure that, whenever possible, nothing goes to waste.

Start your next project with ReStart by visiting commercial.tarkett.com/sustainability/restart.

Healthy impacts

Flooring plays a substantial role in the health of any built environment. With one of the largest surface areas in the space, flooring choices can contribute to wellness goals—or detract from them—more than almost any other interior specification. When we say our products are consciously made, we mean we set new standards for sustainability across our entire portfolio. Because we're not just working toward healthier commercial spaces, but healthier outcomes for every living thing.

Across Tarkett's global organization, 94% of our more than 3,000 raw materials have been assessed by the Environmental Protection Encouragement Agency (EPEA) according to Cradle to Cradle principles. As a result:

- All our products are free of ortho-phthalates, antimicrobials and forever chemicals like PFAS.
- 99% of our floors deliver low or ultralow VOC content.
- 69% of our raw materials are abundant, rapidly renewable, or recycled.
- We offer the broadest portfolio of Certified **Asthma & Allergy Friendly**[®] flooring, which is scientifically proven to limit exposure to asthma and allergy triggers. This includes LVT, homogeneous and heterogeneous vinyl sheet, and hybrid carpet.

Let's talk tile

Creating brilliant spaces starts with square one. Tiles, in this case. Choose bold colors that stand out, or neutral colors that blend in. Our flooring collection incorporates Color Foundations®, a system of guaranteed availability across six neutral palettes. Or, for the ultimate in design freedom, customize your own tiles in a Prima Marbleized, Prima Olio, or Mesto Configurations design. Then, with performance features like natural slip resistance and shock-absorbing comfort, you'll arrive at solutions that look smart and act smart too.

Rubber sports flooring

With multiple thicknesses and endurance levels to choose from, Johnsonite rubber sports flooring maximizes your budget while supporting every athlete, therapy patient, instructor, and traveler. From the yoga studio to the ice rink, our latest patterns and colorways work as hard as you do to inspire next-level performance. With a coordinated color palette across multiple patterns and tile weights, your most physical spaces will be as beautiful as they are tough. Just one more reason why MADE RIGHT MEANS JOHNSONITE.

Sports flooring selection guide

Triumph

Designed with a 3/8" thickness to resist ice skates, golf cleats and dropped weights, Triumph is our toughest, most durable tile in the lineup. The additional cushion helps absorb noise and resist impact on joints, while a closed-cell surface makes these tiles easy to maintain.

Choose from a Square Edge, Interlocking, or SlideLock® tile format. SlideLock allows a modular, glueless installation that provides access to mechanical systems beneath the floor. Triumph is Cradle Certified® Silver and made with 40% recycled content.

Inertia

Offering the ideal balance between performance and price, Inertia's 1/4" thickness is perfect for areas that don't involve heavy foot traffic, free weights, or heavy exercise equipment, such as locker rooms, yoga studios and light fitness centers. Choose between a Square Edge or Interlocking tile format.

To help you transition easily between spaces, Inertia is available by special order in a 3/8" thickness. This heavier weight is available in Square Edge, Interlocking, or SlideLock formats, but still isn't suitable for areas with spikes, or ice skates. Inertia is Cradle Certified® Silver and made with 40% recycled content.

Replay

This no-nonsense sports flooring is made from recycled truck tires and comes in both sheet and tile formats to work wherever you need it. Replay's unique construction is highly impact-resistant and shock-absorbing, making it easy on muscles and joints, while absorbing sound.

With a 3/8" thickness and 92% recycled content, Replay supports a variety of activities and budgets, but this economical choice never skimps on performance.

Stairwell management

Proper stairwell management minimizes risk by balancing safety and performance, leading to a measurable long-term return. Our integrated stairwell management system includes rubber and vinyl treads, nosings, and accessories that enhance the flow of a space, allowing people to move safely and comfortably. All are available in a broad array of profiles, textures, patterns, and colors.

Mesto PS3L Noble Knight, PS3 Noble Knight, PS3D Noble Knight

True flooring solutions improve every aspect of the experience, from aesthetics to safety and installation to maintenance. So Johnsonite has made significant improvements to the design of our rubber stair treads that will minimize the time and cost of installation. Our AngleFit angled noses are available on all rubber treads—with or without risers—making every installation faster, easier, and safer.

One step at a time

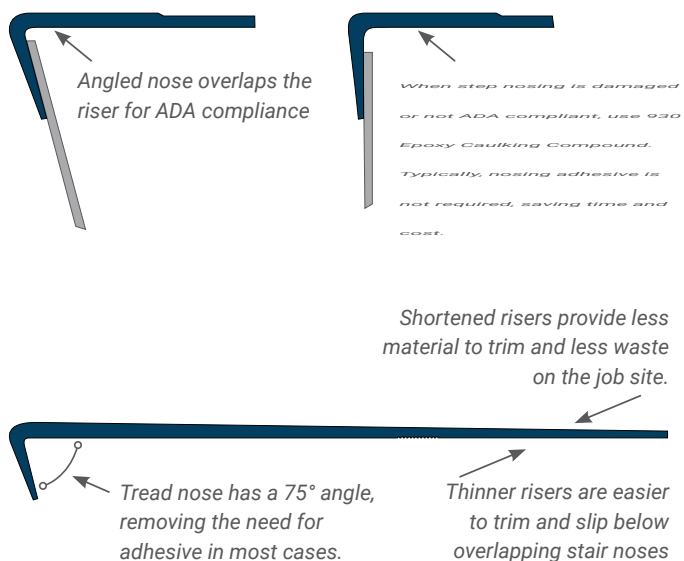

The right stairwell management system improves both the safety and appearance of these critical spaces, helping reduce risk and improve mobility from top to bottom. With thousands of possible combinations, Johnsonite's comprehensive stairwell management system provides no shortage of options. Choose between rubber and vinyl constructions to balance the needs of every project.

STAIR NOSE: New angled stair nose returns to the step, allowing it to overlap the riser in most cases, and eliminate time-consuming cuts.

NO CAULK: If stair noses are in good condition and the nose edge does not exceed 1/2" radius, no nose caulk is required.

EASY RISER: The riser's thickness is reduced at the top, allowing it to slip easily below the stair nose.

SAFETY: Slip-resistant rubber treads are available in a variety of colors, textures, and safety inserts for the visually impaired.

Tactile Warning Surface

Reduce potential accidents by alerting the visually impaired that they're approaching hazardous areas. Detectable tactile warning surface meets ANSI A117.1-1986 design requirements and is available in 32 attractive solid colors. Contrasting striping can also be ordered.

Tactile Warning Surface shown above.

Stairwell components

All our stairwell components—from nosings to treads to striping solutions—are designed to reduce slip/fall accidents and work seamlessly with the other elements in the space, giving upward mobility a whole new meaning.

SAFE-T-FIRST

STAIRWELL MANAGEMENT/EMERGENCY EGRESS ROUTING

SPECIALTY APPLICATIONS

Hero training starts here. Help individuals find their way out of a building in total darkness – and emergency personnel find their way in. The Safe-T-First® System protects from injury, disorientation and panic, and may ultimately save lives. The patented luminescence technology provides a lighted path low to the ground. Meet the challenges of safety and welfare head-on with the innovative Safe-T-First System.

Photoluminescent egress routing system.

Safe-T-First's photoluminescence is the result of a patented technology that incorporates bright, long-lasting pigments into Johnsonite stair treads, traditional wall base and other items. This unique technology utilizes photoluminescent crystals that are inert, nontoxic, and free of radioactivity.

VENT COVE

FINISHING BORDERS

Johnsonite Vent Cove Wall Base combines wall base and shoe moulding profiles in a single, integrated finishing border, delivering first-class protection and aesthetic appeal. Made with the highest quality materials and advanced technology, this unique solution ensures a precise fit, dimensional stability, and consistent height and gauge measurements to simplify installation and look like new for years to come. Johnsonite's exclusive satin finish resists scuffs and gouges and does not dull, discolor, or fracture over time. Recommended for any floating hardwood installation, our Vent Cove Wall Base allows flooring to expand and contract naturally, while always maintaining a finished, seamless appearance.

47 Brown

40 Black

47 Brown

Recommended for all floating hardwood flooring construction, including:

- Basketball courts
- Martial arts studios
- Gym floors
- Dance floors

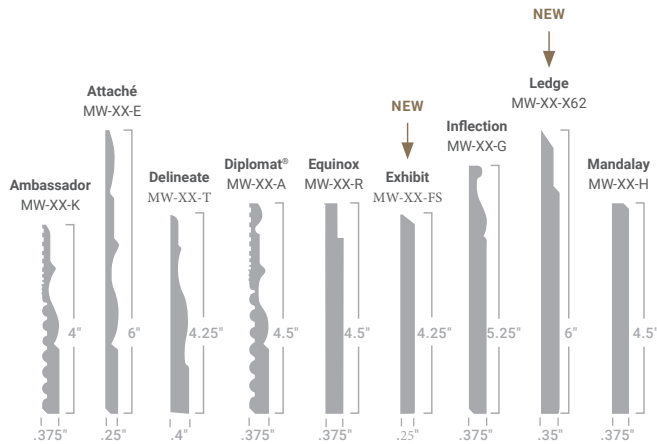

Available specifications: 4" (10.16 cm) high with 3" (7.62 cm) toe,
Outside corners are available for purchase as well through your local Johnsonite distributor.
Corners are 4" High x 3 5/16" returns

MASQUERADE

FINISHING BORDERS

A complete wall base solution—from inspiration to installation to maintenance.

Masquerade wall finishing borders provide the realistic aesthetic of natural materials, without the extensive installation and maintenance of traditional wood and stone products—no priming, painting, grouting, or finishing necessary. Profiles are simply applied with a regular cove base adhesive to easily conform to gentle curves and irregular surfaces. Each Masquerade visual is digitally printed to provide crisper pattern details and longer pattern repeats, while allowing endless opportunities to tailor your custom design. This complete solution just proves once again that MADE RIGHT MEANS JOHNSONITE.

TIGHTLOCK WALL BASE SYSTEM

FINISHING BORDERS

Lock it

When we say TightLock Carpet Base comes first, it really does. Its notched design allows it to be installed before the carpeting and carpet tile, and remain in place when changing out the flooring too. This saves time and money on re-installation and wall repairs. Plus, this durable, high-performance base can stay in place longer, making it a more sustainable choice. Also available in a Resilient Base, TightLock provides a cove base look with a more subtle radius. With a unique tapered design, the resilient base accommodates any commercial flooring and delivers a tight, clean, finished appearance year after year.

TightLock Carpet

TightLock Resilient

Reduces 1/2" to 3/8". Can be used alone or with LS-40-D or LS-40-B to extend transition.

SubFloor Leveler System LS 40
iQ Optima

SubFloor Leveler System
U.S. Patent No. 7,174,682 Quick Fix

We've practically eliminated the need for traditional floor levelers—and the labor and curing time they require. Our patented SubFloor Leveler System provides a gradual ramp between different flooring elevations, creating a smooth transition and fewer trips and falls. With easy installation and the ability to lay flooring immediately over top, it keeps everything moving swiftly—from your project to your foot traffic.

Specialty applications

There are often special spaces within a commercial environment that need unique flooring solutions to optimize performance. These spaces require special attention, such as improved acoustics; enhanced slip resistance; resistance to oil and grease; electrical resistance and static dissipation; and safe egress. Johnsonite's portfolio of specialty flooring will meet every space's special needs.

DEFIANT OIL-AND GREASE-RESISTANT

SPECIALTY APPLICATIONS

Defiant Oil- and Grease-Resistant Rubber Tile and Stair Treads. Stand tough.

Engineered to work most anywhere petroleum products, animal fats or vegetable oils are present, Defiant defends. It meets ASTM specs for oil and grease resistance, providing your space with the best protection available. Plus, you'll get the performance, longevity and slip-resistance of rubber. With Defiant, balancing safety and efficiency is simple. Allowing you to create a more productive environment.

Heterogeneous vinyl sheet

Vinyl flooring combines a broad portfolio of patterns and colorways with high performance for schools, hospitals, and other high-traffic areas. From heterogeneous sheet composed of several layers, including a printed sheet for limitless design possibilities, to homogeneous sheet and tile with a through pattern, Tarkett's portfolio is high performing and low emitting, contributing to a safe and healthy indoor environment.

All heterogeneous vinyl sheet products are Certified **Asthma & Allergy Friendly**[®]. Certified products limit exposure to harmful chemicals and airborne allergens—and that creates better air quality for everyone.

Homogeneous vinyl sheet & tile

Vinyl flooring combines a broad portfolio of patterns and colorways with high performance for schools, hospitals, and other high-traffic areas. From heterogeneous sheet composed of several layers, including a printed sheet for limitless design possibilities, to homogeneous sheet and tile with a through pattern, Tarkett's portfolio is high performing and low emitting, contributing to a safe and healthy indoor environment.

Sustainability attributes

HOMOGENEOUS SHEET & TILE

Product emissions decarbonization:

ClimeCo Certified Product™ decarbonization program available upon request

Healthy materials:

94% raw materials third-party assessed; ortho-phthalate-free

Indoor air quality:

FloorScore® certified; CDPH 01350 v1.2 Certified **Asthma & Allergy Friendly**®*

Transparency documents available:

Product-specific EPD;
Material Health Statement

Responsible end of use management:

Part of Tarkett's ReStart® take-back and recycling program

The Asthma & Allergy Friendly® Certification Mark is a Registered Certification Mark of Allergy Standards Ltd.

*(iQ Granit, iQ Optima, iQ Eminent)

ReStart is Tarkett's third-party certified reclamation program.

To learn more about the ReStart program, scan the QR code or go to commercial.tarkett.com/ReStart

Specialty applications

There are often special spaces within a commercial environment that need unique flooring solutions to optimize performance. These spaces require special attention, such as improved acoustics; enhanced slip resistance; . resistance to oil and grease; electrical resistance and static dissipation; and safe egress. Tarkett's portfolio of specialty flooring will meet every space's special needs.

SureStart Acoustic Underlayment
Quiet is beautiful.

This cutting-edge underlayment for resilient flooring solves a variety of installation issues for almost any subfloor, whether it's on, above or below grade. Made of high-density synthetic rubber, SureStart provides superior moisture mitigation from concrete slabs, delivers unmatched support under interlocking vinyl flooring, and improves acoustics. By absorbing the sound of foot traffic, SureStart dramatically reduces noise levels in both the room where it's installed, and the floor below—making it an ideal choice for a variety of commercial settings. With easy installation and the ability to conceal minor surface imperfections, SureStart is sure to save significant time and labor costs on your next project.

Composition tile

Composition tile brings great design and outstanding value together in a long-trusted solution. This durable material is made to withstand heavy traffic and rolling loads, delivering strong performance where it's needed most. Design is never lacking either, with a carefully selected palette of favorite neutrals and colorful accents that can be mixed and matched in creative layouts.

METALLIC COLORS

We know that color is crucial to the craft of design. That's why we offer easy color coordination, precise color matching, and inspiring palettes to spark your creativity. With our best-in-class service levels and rigorous manufacturing and quality standards, experience color made right with Johnsonite.

ColorMatch®: Perfectly matched flooring and accessories, made easy. ColorMatch is a designer palette of 32 colors available across all Johnsonite product types, with no dye lots... ever! We guarantee these colors will match year after year, product after product.

Color customization: Don't see the exact color you need? Let us create it for you! We offer painless color customization across all our products, with quick lead times and low minimums. Our seasoned color experts will work with you to achieve your vision. Simply contact your local Tarkett representative to get started.

Color Foundations®: It's easy to coordinate Johnsonite products with a wide range of flooring choices from the Tarkett portfolio. Color Foundations gives you six neutral palettes that pair popular Johnsonite colors with hundreds of flooring options for Soft Surface to Resilient. We've done the color-coordination for you. Just pick your palette and go!

Palette Key: **WB** (Warm Beige), **CB** (Cool Beige), **WG** (Warm Grey), **CG** (Cool Grey), **B** (Black), **W** (White)

All colors shown in this Product Guide, including chips and photographs, approximate the actual flooring colors as accurately as possible.

Responsible end of use management:
Part of Tarkett's ReStart take-back and recycling program

The Asthma & Allergy Friendly® Certification Mark is a Registered Certification Mark of Allergy Standards Ltd.

INSTALLATION OPTIONS

Our resilient products can be installed in numerous patterns, providing endless design possibilities from a wide range of styles. Familiarity with installation methods is essential, and so we ensure that detailed, easy-to-follow installation instructions are available for every method and every product.

VARIATION SCALE

Color and visual variation is inherent in all modular resilient products. As determined by design intent some patterns and colors can vary slightly or significantly from piece to piece within a pattern. Prior to installation, we recommend reviewing multiple tiles.

Limited Warranty

Tarkett Warranty Overview

Tarkett is pleased to offer the world's most integrated, high-performance flooring system, bringing together design, function, and safety, leading to enhanced productivity in high-performance environments. All Tarkett products are warranted against manufacturers' defects to ensure high standards of quality, performance, and aesthetics.

Limited Warranty Information

Section 1: Rubber Sheet Flooring

Limited 5-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of five

(5) years of Commercial use that rubber sheet flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-5).

Tarkett warrants that the products will not wear through for the warranty period of five (5) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 2: Compression Molded Rubber Tile

Limited 5-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of five (5) years of Commercial use that molded rubber tile flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation,

Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the

defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-5).

Tarkett warrants that the products will not wear through for the warranty period of five (5) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 3: Rubber or Vinyl Stair Treads

Limited 5-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of five (5) years of Commercial use that rubber or vinyl stair tread products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the

defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-5).

Section 4: Finishing Borders (Wall Base & Accessories)

Limited 2-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of two (2) years of Commercial use that rubber or vinyl wall base and/or accessory products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation,

Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the

defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2).

Section 5A: Vinyl Sheet and Tile Flooring

Limited 20-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of twenty (20) years of Commercial use that vinyl sheet and/or tile flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the

defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2-3); Material and 25% Reasonable Labor Costs (Year 4-5); Material Only (Years 6-10); 50% Material Only (Years 11-15); and 25% Material Only (Years 16-20).

Tarkett warrants that the products will not wear through for the warranty period of twenty (20) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 5B: Vinyl Sheet and Tile Flooring

Limited 15-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of fifteen (15) years of Commercial use that vinyl sheet flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must

promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2-3); Material Only (Years 4-10); 50% Material Only (Years 11-15).

Tarkett warrants that the products will not wear through for the warranty period of fifteen (15) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 5C: Vinyl Sheet and Tile Flooring

Limited 10-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of ten

(10) years of Commercial use that vinyl sheet and/or tile flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2-3); and Material Only (Years 4-10).

Tarkett warrants that the products will not wear through for the warranty period of ten (10) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 5D: Vinyl Sheet and Tile Flooring

Limited 5-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of five

(5) years of Commercial use that vinyl sheet and/or tile flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this

warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2-3); and Material Only (Years 4-5).

Tarkett warrants that the products will not wear through for the warranty period of five (5) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 6: Vinyl Composition Tile

Limited 5-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of five (5) years of Commercial use that vinyl composition tile and plank flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-5).

Tarkett warrants that the products will not wear through for the warranty period of five (5) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph. responsibility except as provided on the prorated basis described in the prior paragraph.

Section 7: Linoleum Sheet Flooring

Limited 10-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of ten

(10) years of Commercial use that linoleum sheet flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-10).

Tarkett warrants that the products will not wear through for the warranty period of ten (10) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 8A: Luxury Tile and Plank

Limited 10-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of ten (10) years of Commercial use that luxury tile and plank flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-10).

Tarkett warrants that the products will not wear through for the warranty period of ten (10) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs

will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 8B: Luxury Tile and Plank

Limited 20-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of twenty (20) years of Commercial use that luxury tile and plank flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); Material Only (Years 3-10); 50% Material Only (Years 11-15); and 25% Material Only (Years 16-20).

Tarkett warrants that the products will not wear through for the warranty period of twenty (20) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 8C: Luxury Tile and Plank

Limited 25-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of twenty-five (25) years of Commercial use that luxury tile and plank flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); Material Only (Years 3-10); 50% Material Only (Years 11-15); and 25% Material Only (Years 16-25).

Tarkett warrants that the products will not wear through for the warranty period of twenty-five (25) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 8D: Luxury Tile and Plank

Limited 15-Year Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of fifteen (15) years of Commercial use that luxury tile and plank flooring products conform to written specifications and are free of manufacturing defects, subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects prior to installation; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge. If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2-3); Material Only (Years 4-10); 50% Material Only (Years 11-15).

Tarkett warrants that the products will not wear through for the warranty period of fifteen (15) years of Commercial use. For claims based on wear-through, the customer must notify Tarkett and permit an inspection of the flooring. If Tarkett determines that the original flooring is worn through, Tarkett will replace or repair the worn flooring at its own cost; however, labor costs will be the customer's responsibility except as provided on the prorated basis described in the prior paragraph.

Section 9: Underlayment

Limited 10-Year Light Commercial Warranty for Manufacturing Defects: Tarkett warrants from the date of purchase for a period of ten (10) years of Light Commercial use of SureStart™ underlayment with approved Tarkett LVT products, subject to subfloors being prepared & meeting Tarkett Installation Instruction guidelines and subject to the terms and conditions specified herein.

The customer must notify Tarkett of any obvious visual defects or concerns prior to install; otherwise, this warranty will not apply. If the defect is found and Tarkett is notified in writing prior to installation, Tarkett will replace any defective product, at no charge.

If the customer believes the product to be defective after installation, the customer must promptly notify Tarkett and permit an inspection

of the product. If, upon inspection, Tarkett determines that the product is defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations in this warranty, and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2); and Material Only (Years 3-10).

All Tarkett Commercial Products:

This Limited Warranty applies only for products installed, used, and maintained according to the written recommendations and specifications provided at the time of material purchase.

Warranty Claim Procedure

To be eligible for replacement under this warranty, the customer must file a claim by giving Tarkett written notice

of the defect. This notice must be filed immediately, but in no event more than 10 days following discovery of the defect. Notice shall be given to Tarkett at its corporate address of 30000 Aurora Road, Solon, Ohio 44139.

Phone: (800) 899-8916; Fax: (440) 543-5774.

If defective product has been discontinued or is otherwise unavailable, Tarkett reserves the right to select and supply the customer with Tarkett replacement flooring, similar in quality and quantity to the material claimed to be defective.

Warranty Exclusions

The Tarkett Limited Warranty does not apply to:

- The exact matching of shade, color, or mottling.
- Tears, burns, cuts or damage due to improper installation or use or improper cleaning agents and maintenance methods.
- Labor costs outside of prorated schedule defined in the warranty.
- Sales of non-first quality materials, i.e., "seconds," "off goods" or other irregular flooring. Such non-first quality materials are sold "AS IS."
- Issues associated with the use of adhesives other than those recommended by Tarkett.
- Issues associated with the use of adhesives in contravention to published instructions.
- Issues caused by moisture or alkali in the subfloor.
- Issues of discoloration or staining associated with subfloor contamination or markings that bleed through the flooring material.
- Problems caused by installation, uses and maintenance that are contrary to Tarkett's specifications, recommendations, or instructions.
- Material installed with obvious defects not notified to Tarkett prior to installation.
- Exterior installations – Tarkett products are designed for interior applications only.
- Fading and/or discoloration resulting from direct or indirect sunlight and ultraviolet ray exposure.
- Damage to flooring products caused by high or spiked heels, casters, or furniture rests. Some

rolling-type casters on furniture or appliances may damage resilient flooring. Warranty as to the suitability of the factory-installed casters rests with the furniture or appliance manufacturers.

- Damage to flooring products from pallet jack and tow-motor traffic.
- Wear or deterioration from spikes and skate blade exposure. (Triumph or Replay Multi-Functional and Sports Rubber is recommended to provide a more spike and skate resistant flooring solution.)
- Variations in color or embossing between products, photography, or printed color illustrations.
- Installation of Tarkett flooring in work or commercial areas exposed to oil and grease or animal fats. Defiant™ Oil and Grease-Resistant Rubber tiles are recommended in such situations.
- Additional expense associated with overtime, replacing or moving appliances or furniture, business interruptions, loss of use or other related costs associated with the replacement of the flooring.
- Any visual or performance related irregularities caused by the substrate (including but not limited to movement of the substrate or foundation, or dirt or debris on the substrate).
- Hydrostatic pressure, flooding, standing water or moisture on the surface of the substrate.
- Issues related to exposure to heavy rolling loads or site construction related damage.

Warranty Disclaimer

- EXCEPT AS STATED HEREIN, TARKETT MAKES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING, PERFORMANCE OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE PRODUCTS DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN AUTHORIZED OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN. IN NO EVENT SHALL TARKETT BE LIABLE TO BUYER FOR INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, DAMAGES OR LOSS OF PROFIT ARISING OUT OF OR RELATING TO ANY BREACH OF THIS WARRANTY, REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT, OR OTHERWISE) UPON WHICH THE CLAIM IS BASED.
- These warranties provide specific legal rights; these and other rights may vary from state to state.

Lifetime Limited Warranty

Carpet Tile

Carpet tile styles with nylon face fiber are covered by a non-prorated Lifetime Limited Warranty issued by Tarkett against excessive surface wear, edge ravel, zipping, resiliency loss of backing, and delamination of the secondary backing from the primary backing containing the face fiber.

Lifetime is defined as the period of time during which the product is owned and maintained by the original end-use purchaser in the original indoor installation location. Tarkett Carpet tile products must be installed in accordance with the appropriate Carpet Tile Installation & Floor Preparation Instructions and must be maintained in accordance with Tarkett care and maintenance guidelines. The use of Tarkett primers, adhesives, and seam sealers or approved alternatives is required. Failure to conform to these requirements will result in loss of limited warranty coverage.

Moisture and pH testing requirements and limitations are defined in the Tarkett Carpet Tile Installation & Floor Preparation Instructions for each carpet tile product. Product or installation failure due to moisture or pH levels in excess of the limits set forth in these instructions is specifically excluded from limited warranty coverage.

Chair pads are not required, but are recommended for optimum textural performance. Absent the use of chair pads, more intensive maintenance will be required for areas in direct contact with chair caster traffic, and some degree of appearance change is to be expected.

Soiling visibility is affected by colors and patterns. Information on optimizing your selection can be found at www.tarkett.com. **Appearance retention is not covered by this limited warranty.**

Excessive surface wear means more than fifteen percent (15%) loss of pile fiber weight measured before and after use.

Resiliency loss means more than ten percent (10%) loss of backing resiliency calculated using average thickness measurements of the backing of the carpet before and after use. Since resiliency recovery is not immediate and may be influenced by temperature and other conditions, thickness must be measured only after a 72-hour conditioning period.

Carpet tile products also carry a Lifetime Limited Warranty against excessive static electricity only when installed and maintained in accordance with Tarkett approved procedures. Excessive static electricity means more than 3.0 kilovolts at a relative humidity of 20% and a room temperature of 70 degrees Fahrenheit.

If these products fail to perform as described in this limited warranty, the affected area will be repaired to meet the applicable Tarkett limited warranty provisions. If repair is not commercially practical or possible, Tarkett may, at its sole discretion, replace the affected area or refund the original Tarkett invoice cost for the affected area. If repair or replacement is required, Tarkett reserves the right to utilize an independent qualified labor provider or Tarkett Field Technical personnel. Replacement will be made with a product of comparable cost from the current Tarkett running line of products.

This limited warranty does not cover pile shading, pile crushing, tears, burns, cuts, pilling, matting, damage due to improper installation, improper use, improper maintenance, installation over irregular surfaces, point loads in excess of 150 pounds per square inch or any other damage not expressly covered above and is subject to the applicable Tarkett product tolerances, which are available upon request. This limited warranty does not cover damage resulting from improper installation or maintenance. Liability of Tarkett is limited to the actual repair or replacement of the affected area and does not cover incidental or consequential damages. Tarkett is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area of the carpet.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION. TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT.

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.

Lifetime Limited Warranty

Powerbond®

Powerbond styles with nylon face fiber are covered by a non-prorated Lifetime Limited Warranty issued by Tarkett against excessive surface wear, edge ravel, zipping, resiliency loss of backing, and delamination of the secondary backing from the primary backing containing the face fiber. Lifetime is defined as the period of time during which the product is owned and maintained by the original end-use purchaser in the original indoor installation location. Tarkett Powerbond products must be installed in accordance with the appropriate Powerbond Installation & Floor Preparation Instructions and must be maintained in accordance with Tarkett care and maintenance guidelines. The use of Tarkett primers, adhesives, and seam sealers or approved alternatives is required. Failure to conform to these requirements will result in loss of limited warranty coverage.

Moisture and pH testing requirements and limitations are defined in the Tarkett Powerbond Installation & Floor Preparation Instructions for each Powerbond product. Product or installation failure due to moisture or pH levels in excess of the limits set forth in these instructions is specifically excluded from limited warranty coverage.

Chair pads are not required, but are recommended for optimum textural performance. Absent the use of chair pads, more intensive maintenance will be required for areas in direct contact with chair caster traffic, and some degree of appearance change is to be expected. More intensive maintenance will also be required for product installed on stairs, and some degree of appearance change is to be expected.

Soiling visibility is affected by colors and patterns. Information on optimizing your selection can be found at www.tarkett.com. **Appearance retention is not covered by this limited warranty.**

Excessive surface wear means more than fifteen percent (15%) loss of pile fiber weight measured before and after use.

Resiliency loss means more than ten percent (10%) loss of backing resiliency calculated using average thickness measurements of the backing of the carpet before and after use. Since resiliency recovery is not immediate and may be influenced by temperature and other conditions, thickness must be measured only after a 72-hour conditioning period.

Powerbond products also carry a Lifetime Limited Warranty against excessive static electricity only when installed and maintained in accordance with Tarkett approved procedures. Excessive static electricity means more than 3.0 kilovolts at a relative humidity of 20% and a room temperature of 70 degrees Fahrenheit.

If these products fail to perform as described in this limited warranty, the affected area will be repaired to meet the applicable Tarkett limited warranty provisions. If repair is not commercially practical or possible, Tarkett may, at its sole discretion, replace the affected area or refund the original Tarkett invoice cost for the affected area. If repair or replacement is required, Tarkett reserves the right to utilize an independent qualified labor provider or Tarkett Field Technical personnel. Replacement will be made with a product of comparable cost from the current Tarkett running line of products.

This limited warranty does not cover pile shading, pile crushing, tears, burns, cuts, pilling, matting, damage due to improper installation, improper use, improper maintenance, installation over irregular surfaces, point loads in excess of 150 pounds per square inch or any other damage not expressly covered above and is subject to the applicable Tarkett product tolerances, which are available upon request. This limited warranty does not cover damage resulting from improper installation or maintenance. Liability of Tarkett is limited to the actual repair or replacement of the affected area and does not cover incidental or consequential damages. Tarkett is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area of the carpet.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION. TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT.

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.

Limited Warranty

Powerbond & Carpet Tile Product with 100% Dynex SD® Nylon Fiber Content Produced After April 30, 2016

LIFETIME STAIN RESISTANCE LIMITED WARRANTY

Tarkett warrants for a lifetime period that Powerbond and Modular products with 100% Dynex SD face fiber content will resist permanent staining from most common foods and beverages when installed in accordance with the Tarkett Installation & Floor Preparation Instructions and maintained in accordance with the Tarkett Care and Maintenance Guidelines. Lifetime is defined as the period of time during which the product is owned and maintained by the original end-use purchaser in the original indoor installation location.

Exclusions from coverage:

- Non-food, non-beverage, and other substances that permanently destroy or change the color of carpet, including, but not limited to, betadine, petroleum, ink, bleaches, caustic substances, paints, motor oil, asphalt and tar.
- Foods and beverages that contain strongly colored natural substantive dyes such as mustard, curry powder, turmeric, and herbal tea.
- Soiling, appearance change due to pile distortion, and exposure to substances or contaminants that degrade or destroy nylon or change the color.
- Abuse by athletic equipment such as roller skates, ski boots, or metal cleats.
- Differential fading from light exposure, dye lot differences and soiling.
- Damage caused by improper installation or maintenance.

Remedies:

- Tarkett will provide a designated representative to inspect and attempt removal of the common stain.
- Following the stain removal procedure by the Tarkett representative, if the stain rates less than 8 out of 10 on the AATCC Red 40 Stain Scale, Tarkett will replace the affected area, up to 100 times the size of the stain, or reimburse the purchase price of the affected area only.
- Any replacement will be made with a comparable product selected by Tarkett from the then-current Tarkett running line. Tarkett will not reimburse any indirect costs or incidental or consequential damages. For example, but not limitation, neither damages arising from the interruption of use of the spaces affected, nor expenses in removing furniture or partitions are covered by this limited warranty.
- If repair or replacement is required, Tarkett reserves the right to utilize an independent qualified labor provider or Tarkett Field Technical personnel.

TEN YEAR COLORFASTNESS LIMITED WARRANTY

Tarkett warrants that Powerbond and Modular products with 100% Dynex SD face fiber will not display a noticeable color change due to exposure to light for a period of ten (10) years from the date of manufacture. Noticeable color change is defined as a rating of 3 or less on the AATCC Gray Scale for Color Change that is the result of exposure to light. The product must be installed in accordance with the Tarkett Installation & Floor Preparation Instructions and maintained in accordance with the Tarkett Care & Maintenance Guidelines. This limited warranty covers only the coloration applied during extrusion of the fiber. Any overprint or other secondary application of color or pattern are excluded from coverage. If these products fail to perform as described in this limited warranty, Tarkett will repair, replace or refund in accordance with the terms listed below.

FIVE YEAR COLORFASTNESS TO ATMOSPHERIC CONTAMINANTS LIMITED WARRANTY

Tarkett warrants that Powerbond and Modular products with 100% Dynex SD face fiber will not display a noticeable color change due to exposure to atmospheric contaminants (Ozone or Oxides of Nitrogen) for a period of five (5) years from the date of manufacture. Noticeable color change is defined as a rating of 3 or less on the AATCC Gray Scale for Color Change that is the result of exposure to Ozone and/or Oxides of Nitrogen.

The product must be installed in accordance with the Tarkett Installation & Floor Preparation Instructions and maintained in accordance with the Tarkett Care & Maintenance Guidelines. This limited warranty covers only the coloration applied during extrusion of the fiber. Any overprint or other secondary application of color or pattern are excluded from coverage. If these products fail to perform as described in this limited warranty, Tarkett will repair, replace or refund in accordance with the terms listed below.

REMEDIES FOR COLORFASTNESS COVERAGES

If these products fail to perform as described in this limited warranty, the affected area will be repaired to meet the applicable Tarkett limited warranty provisions. If repair is not commercially practical or possible, Tarkett may, at its sole discretion, replace the affected area or refund the original Tarkett invoice cost for the affected area. If repair or replacement is required, Tarkett reserves the right to utilize an independent qualified labor provider or Tarkett Field Technical personnel. Replacement will be made with a product of comparable cost from the current Tarkett running line of products.

This limited warranty does not cover pile shading, pile crushing, tears, burns, cuts, pilling, matting, damage due to improper installation, improper use, improper maintenance, installation over irregular surfaces, point loads in excess of 150 pounds per square inch or any other damage not expressly covered above and is subject to the applicable Tarkett product tolerances, which are available upon request. This limited warranty does not cover damage resulting from improper installation or maintenance. Liability of Tarkett is limited to the actual repair or replacement of the affected area and does not cover incidental or consequential damages. Tarkett is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area of the carpet.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION. TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT. ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.

Limited Warranty

Tarkett Woven Broadloom – CrossCushion®

All Tarkett woven products with CrossCushion are covered by a limited warranty issued by Tarkett against abrasive wear, edge ravel, zippering, failure to retain backing resiliency, delamination of the secondary backing from the primary backing containing the face fiber, and excessive static electricity. This limited warranty applies only when properly installed on correctly prepared floors using Tarkett approved procedures and adhesives and maintained in accordance with Tarkett approved maintenance and cleaning procedures. This limited warranty coverage remains in effect only so long as the product is owned and maintained by the original end-use purchaser in the original indoor installation location.

Chair pads are required for this warranty to be in full effect.

Soiling visibility is affected by colors and patterns. Information on optimizing your selection can be found at www.tarkett.com. **Appearance retention is not covered by this limited warranty.**

Adhesive and Seam Sealer: In order to maintain applicable limited warranty validation, Tarkett Greenbond™ B-19 Broadloom Adhesive System must be used to adhere the product directly to the correctly prepared substrate. Additionally, all seams and unfinished edges must be sealed utilizing Tarkett C-XL Broadloom Seam Sealer. The use of Tarkett Broadloom Adhesive System and Tarkett Broadloom Seam Sealer is required in order to maintain applicable limited warranty validation.

ABRASIVE WEAR

Tarkett warrants that for fifteen (15) years from the date of installation, this carpet, when properly installed and maintained, will not lose more than fifteen percent (15%) of pile fiber weight measured before and after use. This limited warranty does not cover appearance retention, matting, crushing, or normal appearance changes in high traffic areas.

EDGE RAVEL

Tarkett warrants that these products will not edge ravel under normal use for the life of the carpet. All seams must be properly sealed in accordance with CRI Installation Standard 104. Tufts or loops pulled from the body of the carpet or edges where seam adhesive has not been applied are not included in this limited warranty coverage.

ZIPPERING

Tarkett warrants that these products will not zipper under normal use for the life of the carpet. All seams must be properly sealed in accordance with CRI Installation Standard 104. For the purposes of this warranty, zippering is defined as a pull or snag that results in a minimum of 3 continuous loops being pulled out of the carpet's backing.

BACKING RESILIENCY

Tarkett warrants that these products will retain backing resiliency for a period of ten (10) years from the date of manufacturer's invoice. Backing resiliency is determined using average thickness measurements of the backing of the carpet before and after use. Since resiliency recovery is not immediate and may be influenced by temperature and other conditions, thickness must be measured only after a 72-hour conditioning period.

DELAMINATION

Tarkett warrants that the secondary backing of these products will not delaminate under normal use for a period of ten (10) years from the date of manufacturer's invoice. Delamination is defined as any separation of the polyurethane pre-coat from the primary carpet backing, the polyurethane pre-coat from the foam laminating layer, or the foam laminating layer from the outer surface, over a single specific area, in any case where the separation exceeds one hundred (100) square inches.

STATIC PROTECTION

Tarkett warrants that these products will not exhibit static electricity in excess of 3.5 kilovolts as measured by AATCC Test Method 134 at a relative humidity of 20% and a room temperature of 70 degrees Fahrenheit for the life of the carpet.

If these products fail to perform as described in this limited warranty, the affected area will be repaired to conform to the limited warranty. The affected area(s) refers to the specific area(s) where failure has occurred

and does not include the entire installation. If repair is not commercially practical, Tarkett may, at its option, replace the affected carpet or refund the proportional purchase price for the affected area(s) during the first two (2) years of coverage. During this two (2) year period, Tarkett will pay the costs of the carpet, reasonable freight, and labor. Thereafter, Tarkett will pay only the costs of the carpet and reasonable freight. Tarkett is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area of the carpet.

This limited warranty does not cover pile shading, pile crushing, tears, burns, cuts, pilling, matting, damage due to improper installation, improper use, improper maintenance, installation over irregular surfaces, gauge consistency, carpet manufactured on different production dates and joined together to form seams, point loads in excess of 150 pounds per square inch or any other damage not expressly covered above and is subject to the applicable Tarkett product tolerances, which are available upon request. Carpet installed on stairs or in areas subject to abnormal foot-traffic use (i.e. golf spikes, other spiked footwear, ski boots, and the like) is excluded.

This limited warranty does not cover damage resulting from improper installation or maintenance.

Carpet must be adhered directly to the substrate utilizing the Tarkett Greenbond™ Adhesive System and remain adhered to the substrate during the duration of the Limited Warranty. Product cannot be installed over existing carpet, cushion (either double glue or stretch in over pad), or Lok-Lift®. Product cannot be loose laid or installed using a pressure sensitive adhesive.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION. TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT.

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.

Limited Warranty

Tarkett Woven Broadloom – Crossweave®

All Tarkett woven products with Crossweave are covered by a limited warranty issued by Tarkett against abrasive wear, edge ravel, zippering and excessive static electricity. This limited warranty applies only when properly installed on correctly prepared floors using Tarkett approved procedures and adhesives and maintained in accordance with Tarkett approved maintenance and cleaning procedures. This limited warranty coverage remains in effect only so long as the product is owned and maintained by the original end-use purchaser in the original installation location.

Chair pads are required for this warranty to be in full effect.

Soiling visibility is affected by colors and patterns. Information on optimizing your selection can be found at www.tarkett.com. **Appearance retention is not covered by this limited warranty.**

Adhesive and Seam Sealer: In order to maintain applicable limited warranty validation, Tarkett Greenbond™ B-19 Broadloom Adhesive System must be used to adhere the product directly to the correctly prepared substrate. Additionally, all seams and unfinished edges must be sealed utilizing Tarkett C-XL Broadloom Seam Sealer. The use of Tarkett Broadloom Adhesive System and Tarkett Broadloom Seam Sealer is required in order to maintain applicable limited warranty validation.

ABRASIVE WEAR

Tarkett warrants that for fifteen (15) years from the date of installation, this carpet, when properly installed and maintained, will not lose more than fifteen percent (15%) of pile fiber weight measured before and after use. This limited warranty does not cover appearance retention, matting, crushing, or normal appearance changes in high traffic areas.

EDGE RAVEL

Tarkett warrants that these products will not edge ravel under normal use for the life of the carpet. All seams must be properly sealed in accordance with CRI Installation Standard 104. Tufts or loops pulled from the body of the carpet or edges where seam adhesive has not been applied are not included in this limited warranty coverage.

ZIPPERING

Tarkett warrants that these products will not zipper under normal use for the life of the carpet. All seams must be properly sealed in accordance with CRI Installation Standard 104. For the purposes of this warranty, zippering is defined as a pull or snag that results in a minimum of 3 continuous loops being pulled out of the carpet's backing.

STATIC PROTECTION

Tarkett warrants that these products will not exhibit static electricity in excess of 3.5 kilovolts as measured by AATCC Test Method 134 at a relative humidity of 20% and a room temperature of 70 degrees Fahrenheit for the life of the carpet.

If these products fail to perform as described in this limited warranty, the affected area will be repaired to conform to the limited warranty. The affected area(s) refers to the specific area(s) where failure has occurred and does not include the entire installation. If repair is not commercially practical, Tarkett may, at its option, replace the affected carpet or refund the proportional purchase price for the affected area(s) during the first two (2) years of coverage. During this two (2) year period, Tarkett will pay the costs of the carpet, reasonable freight, and labor. Thereafter, Tarkett will pay only the costs of the carpet and reasonable freight. Tarkett is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area of the carpet.

This limited warranty does not cover pile shading, pile crushing, tears, burns, cuts, pilling, matting, damage due to improper installation, improper use, improper maintenance, installation over irregular surfaces, gauge consistency, carpet manufactured on different production dates and joined

together to form seams, point loads in excess of 150 pounds per square inch or any other damage not expressly covered above and is subject to the applicable Tarkett product tolerances, which are available upon request. Carpet installed on stairs or in areas subject to abnormal foot-traffic use (i.e. golf spikes, other spiked footwear, ski boots, and the like) is excluded. This limited warranty does not cover damage resulting from improper installation or maintenance.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION.

TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT.

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.

Limited Warranty

MetalEdge® Transition & MetalEdge® Trim

Tarkett warrants that these products will conform to published specifications and be free from manufacturing defects for a period of two years from the date of purchase, subject to the terms and conditions specified herein.

Tarkett must be notified of any obvious visual defects prior to installation; otherwise Limited Warranty coverage will not apply. If notice of a defect is provided to Tarkett prior to installation, Tarkett will replace any defective product at no charge. In the event of a defect found after installation, Tarkett must be promptly notified and allowed to inspect the product. If, upon inspection, the product is determined to be defective, Tarkett will replace or repair the defective product at its own cost, subject to the limitations listed in this document and prorated as follows: Material and 100% Reasonable Labor Costs (Year 1); Material and 50% Reasonable Labor Costs (Year 2).

This Limited Warranty applies only for products installed, used and maintained according to the Tarkett Instructions and Specifications published at the time of material purchase. If defective product has been discontinued or is otherwise unavailable, Tarkett reserves the right to select and supply replacement material of similar quality from current running line product.

Limited Warranty Exclusions

The following items are excluded from coverage:

- The exact matching of shade, color or mottling.
- Tears, burns, cuts or damage due to improper installation or use of improper cleaning agents and/or maintenance procedures.
- Labor costs outside of the prorated schedule defined in this document.
- Product other than first quality, i.e., "seconds," "off goods" or other irregular material.
- Issues associated with the use of adhesives other than those recommended by Tarkett.
- Issues caused by moisture or alkali in the subfloor. Pre-installation moisture and alkali testing is required and must be made available to Tarkett upon request.
- Problems caused by installation, uses and maintenance that are not in accord with Tarkett specifications, recommendations and instructions.
- Material installed with obvious defects not reported to Tarkett prior to installation.
- Exterior installations – Tarkett products are designed for interior applications only.
- Fading and/or discoloration resulting from heavy sunlight penetration and ultraviolet ray exposure from direct or glass-filtered sunlight.
- Damage caused by high or spiked heels, improper protectors/casters or furniture rests. Some rolling-type casters on furniture or appliances can cause damage. Casters must be suitable for use on resilient flooring to avoid Limited Warranty exclusion.
- Damage from pallet jack and tow-motor traffic.
- Premature wear or deterioration from spike and/or skate blade exposure.
- Variations in color or embossing between products, photography or printed color illustrations.
- Additional expense associated with overtime, replacing or moving appliances or furniture, business interruptions, loss of use or other costs associated with the replacement of material.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION. TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT.

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.

Limited Warranty

TarkettTAPE®

Tarkett warrants that ethos® Modular, ethos Modular with Omnicoat Technology™, and Flex-Aire® Modular products installed with the TarkettTAPE installation system will maintain stability over sub-floors which comply with the moisture and pH specifications listed in the respective Tarkett Installation & Floor Preparation Instructions for the lifetime of the carpet. Lifetime is defined as the period of time during which the product is owned and maintained by the original end-use purchaser in the original indoor installation location. These limited warranty terms apply only to product that has been installed in accordance with the respective Tarkett Installation & Floor Preparation Instructions. Proper installation includes, but is not limited to, slab moisture and pH testing when required by the Installation Instructions. It is solely the responsibility of the installation contractor to insure that the sub-floor is properly prepared prior to installation. Tarkett is not responsible for product failure of any kind if the Installation and Floor Preparation Instructions are not adhered to.

If the product fails to perform as described in this limited warranty, Tarkett will repair, replace, or refund the cost of the affected area at the sole discretion of Tarkett. Coverage may include replacement yardage, the cost of labor to remove the affected material, and the cost of labor to install replacement material. Tarkett is not responsible for the cost of any remedial work which may be required to bring the sub-floor into the MVER, RH, and/or pH ranges specified in this document. If repair or replacement is required, Tarkett reserves the right to utilize an independent qualified labor provider or Tarkett Field Technical personnel. Replacement will be made with product of comparable cost from the current Tarkett running line of products.

Limitations and Exclusions:

- Moisture issues related to hydrostatic pressure, flooding, or condensation.
- Product installed on walls, stairs, ramps, inclined walkways, outdoors, or in areas subjected to wet track in from outside areas.
- Areas exposed to heavy rolling traffic such as excessively heavy mail carts or pallet jacks.
- Installation over sub-floors that have been chemically abated or exposed to chemical adhesive removers. (This exclusion does not apply to ethos Modular with Omnicoat Technology)
- Product failure due to changes in sub-floor conditions that result in MVER, RH, and/or pH levels that are not in compliance with the specifications listed in the respective Tarkett Installation & Floor Preparation Instructions.

Installation of Tarkett products on sub-floor conditions that exceed the specifications and limitations referenced in this document will void the applicable limited warranties. Tarkett does not represent or make any express or implied warranties that Tarkett products will or will not affect, prevent or cure any other moisture or alkalinity-related issues that may arise because of the moisture and alkalinity levels found in the concrete. Tarkett expressly disclaims such express or implied representations or warranties.

This limited warranty does not cover damage resulting from improper installation or maintenance. Liability of Tarkett is limited to the actual repair or replacement of the affected area and does not cover incidental or consequential damages. Tarkett is not responsible for any expenses incurred for removal of furniture, partitioning, temporary walls or other fixtures on or around the affected area.

All Tarkett Limited Warranty and Maintenance Information can be accessed at www.tarkett.com or by dialing 800-248-2878.

THE BUYER AND/OR END USER IS SOLELY RESPONSIBLE FOR THE SUITABILITY OF THE MERCHANDISE SELECTED FOR A PARTICULAR APPLICATION. TARKETT SHALL NOT BE RESPONSIBLE FOR THE REPAIR OR REPLACEMENT OF ANY PRODUCTS DAMAGED AS A RESULT OF FORCE MAJEURE, INCLUDING BUT NOT LIMITED TO FIRE, FLOOD, OR OTHER CATASTROPHE, ACTS OF GOD, OR ANY CAUSE BEYOND THE CONTROL OF TARKETT.

ALL IMPLIED WARRANTIES WHICH MAY ARISE BY LAW, IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND EXCLUDED. ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED HEREIN ARE NOT WARRANTIES, SHOULD NOT BE RELIED UPON BY THE BUYER, DO NOT FORM ANY PART OF THE BASIS OF THE BARGAIN, AND ARE NOT PART OF THIS OR ANY OTHER LIMITED WARRANTY. NO AGENT, DISTRIBUTOR OR REPRESENTATIVE OF TARKETT, EXCEPT AN OFFICER OF TARKETT, SHALL HAVE AUTHORITY TO AGREE TO ANY TERM, CONDITION OR PROVISION INCONSISTENT HERewith OR NOT CONTAINED HEREIN.
