Build America, Buy America Act (BABAA) Certified

Tarkett's rubber tile collections are fully compliant with the BABAA, making them ideal for federally-funded projects. Manufactured with U.S.-sourced materials, these solutions combine design versatility with the performance and reliability your projects demand.

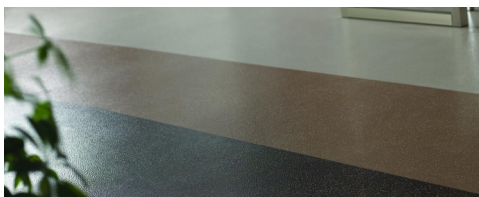

Circulinity

Made with post-consumer recycled rubber, this collection supports circular design and delivers modern sustainability.

Corktones

Blends the visual warmth of cork with the resilience of rubber, ideal for schools, wellness centers, and community spaces.

Defiant

Built to handle heavy foot traffic with ease, Defiant offers outstanding durability and slip resistance in tough environments.

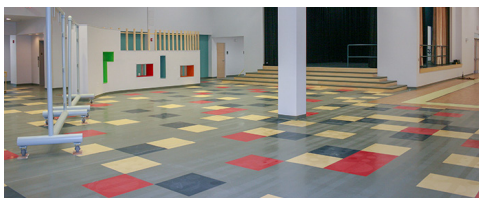

Inertia

Perfect for fitness and athletic spaces, Inertia supports movement and absorbs impact without compromising stability.

Mesto Configurations

Elevates interiors with bold geometric patterns while providing the long-lasting performance of rubber flooring.

Minerality

Inspired by the look and feel of natural stone, Minerality brings texture and sophistication to commercial spaces.

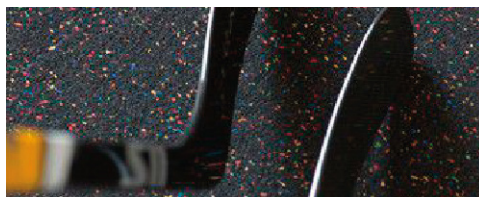

Organics

Brings a calming, nature-inspired design to interiors, while offering the durability needed for everyday use.

Replay

A sports-ready surface designed for agility, safety, and resilience in high-performance play environments.

Triumph

Engineered for strength and staying power, Triumph is made to perform in the most demanding commercial settings.
